SYSTEMS ENGINEERING

MARÍA BECERRA

My favorite singer is María Becerra, she is very talented and famous. She is from Argentina, she is Argentine, and she is around 25 years old. She is a singer and songwriter.

She is famous for her pop, reggaeton and urban music. She started her career on social media and later became an international artist.

She is very popular among young people because of her music and personality. She is not married and she does not have children.

NATALIE VÉRTIZ

My favorite model is Natalie Vértiz, she is very beautiful and famous. She is from Peru, she is Peruvian, she is around 33 years old.

She is a model, television host and influencer. She became famous after winning beauty contests and appearing on television programs.

She is very popular on social media in Peru. She is married and she has two children.
